

SPEEDWAY TRAILS ASSOCIATION

SPEEDWAY OVAL TRAIL

PHASE 1
2009-2011

The Speedway Oval Trail is a 5 mile long bicycle and pedestrian trail that will connect downtown Speedway with the Eagle Creek Trail and the B&O Trail in a loop system.

Phase 1 of the trail is 2 miles in length following the alignment of an abandoned railroad along Hulman Memorial Way.

Construction will include the creation of access sites and trailside rest areas. Phase 1 may be constructed in two segments as shown (A & B). Construction is anticipated to begin in 2010 depending on funding.

For more information, or to make a donation to support the trail, contact the Speedway Trails Association.
